

SUMMARY

Motivated Electronics and Communication Engineering student with a strong interest in programing, robotics and embedded system. Seeking an internship opportunity to apply my foundational skills in python, c programing and web development, while gaining practical experience and contributing to real- world projects.

EDUCATION

Ramgarh Engineering college Bachelor of Technology (ECE) – 1 st year	Ramgarh, Jharkhand September 2024 – September 2028
Maulana Abul Kalam Aazad Muslim Sr. Sec. School Intermediate/Senior Secondary (12 th -PCM) – 80.60 %	Jodhpur, Rajasthan July 2023 – July 2024
Maulana Abul Kalam Aazad Muslim Sr. Sec. School Matriculation/Secondary (10 th) – 85.50 %	Jodhpur, Rajasthan Julv 2021 – July 2022

SKILLS

- **Web Development (HTML, CSS) – Beginner**
 - **Python Programing – Beginner**
 - **C Programing – Beginner**
- **Problem Solving**
 - **MS Office (Word, PowerPoint, Excel)**
 - **Operating System (Window & Linux) - Basics**

EXPERIENCE / TRAINING

ENTERNSHIP | INTERNPE | April 21, 2025 – May 18, 2025

- Learn about data types, loop and file handling etc.
- Wrote basic Python Programing for small automation tasks.
- Complete the given tasks

PROJECTS / TASKS

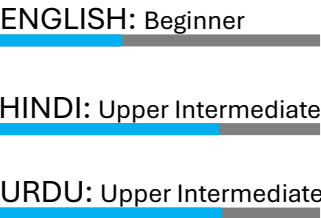

VOICE_ASSISTANCE | Python

- Implemented real-time voice input using the speech_recognition library to convert user speech into actionable commands.
- Built a dynamic listener loop capable of interpreting multiple commands such as email sending, weather updates, and reminders.
- Developed logic to capture contextual inputs like recipient address, subject, and message body from natural speech.
- Integrated fallback dialogues for incomplete or unclear user commands to improve interaction accuracy.
- Utilized multithreading for real-time reminder checks without interrupting the listening loop.
- Applied command classification based on keywords in user speech for streamlined task processing.

CERTIFICATIONS

- **Python Programing** – Internpe (4 weeks)
- **C Programing** – Ramgarh Engineering College (in 1st semester syllabus)

LANGUAGES

EXTRA-CURRICULAR ACTIVITIIES

- Member of **IPR Club** (Desing Coordinator) at **Ramgarh Engineering College**
- Volunteered in **SparkTank 1.0** (organized by **Ramgarh Engineering College**)
- Participant – **Hackmanthan**
- Tech Festa (**Kshitij**) – organize by **IIT Kharagpur**
